The Tortoise and the Hare

Once there lived in a forest a hare and a tortoise. The hare was very proud of his speed. He made fun of the tortoise for his slow speed. The tortoise challenged the hare to have a race with him. The hare accepted the challenge.

The race started. The crow was the referee. The hare ran very fast. The tortoise was left much behind. The hare stopped to take rest under a tree. He fell asleep. The tortoise passed him and reached the winning post. The hare woke up and ran as fast as he could. He saw that the tortoise was already there at the winning post. He had won the race.
